

*Respected Sir/Madam*

With utmost pleasure; it is our honour to invite your prestigious institute to participate in the debating event of the year, **SMAMUN '11**. Scheduled to be held from **26th to 30th July, 2011**, the conference will host teams from schools, colleges and universities alike from across Pakistan.

Saint Mary's Academy Model United Nation (SMAMUN) conference was founded in 2004 by a group of pioneering students of Saint Mary's Academy. In 2005 the society organized the first school level MUN of Pakistan which went on to become a nationwide trendsetter, the example of which has been followed by several other schools.

Today it is the largest high-school MUN society in the country; and this year we plan to redefine, for our delegates, the meaning of debating and diplomacy in the seventh annual edition of SMAMUN. SMAMUN '11 aims at endowing all our delegates with high quality debates in the 10 committees that we would be simulating. Delegates, representing their respective countries, would not only be expected to debate their country's stance on the most pressing issues facing the modern world but would also be required to follow the proper parliamentary procedures that are integral parts of any Model United Nations conference.

This year's SMAMUN also promises to add more to the experience by simulating a committee involving the best debaters from every individual committee on a special fifth day session. This shall be an unprecedented addition to the Model United Nation mix and the diplomat who manages the scenario most admirably will be awarded "Best Diplomat SMAMUN '11".

Alongside the committees, SMAMUN aims to keep its delegates thoroughly entertained during the breaks and by holding numerous extravagant and unique social events (including a Concert, a Themed Dinner and the traditional Global Village) in the evenings. If you have an experienced delegation; expect SMAMUN to revolutionize your perspective of the Model United Nation landscape, and if you are a debutant; there could be no better MUN to kick start your debating career.

Looking forward to have you joining us this July at Saint Mary's Academy, Tulsa Road, Lalazar. We eagerly await your response. If you have any queries, please feel free to contact us on [registrations@smamun.org](mailto:registrations@smamun.org)
